

**The reserved thesis topics in the Tematikon will be assigned by the supervisor to the registered students. This assignment of the topic will create the official assignment of the thesis description in the Tematikon..**

# The creation of the thesis description in the application Tematikon

1. After logging in, the student selects from the menu „My assignment“.

2. The student clicks on the pencil icon,  this allows the student to edit the assignment of the Diploma Thesis. Eye icon  is used to display the assignment. After the assignment has been edited by the student in consultation with the supervisor, the student must not forget to **save** the assignment. To save, click on the blue **save** button.

The screenshot shows the 'List of Assignment of Theses' form in edit mode. It has a title bar 'List of Assignment of Theses'. The form contains several sections: 'thesis supervisor' with a dropdown menu showing 'Šokalová Lucie [doktorand]', 'academic year' with a dropdown menu showing '2023/2024', 'the name of assignment CZ' with a text input field containing 'Testing name', 'the name of assignment EN' with a text input field containing 'Testing name', 'schedule' with a list of tasks: '1. Search for basic relevant literature resources by XX.XX.20XX', '2. Elaboration of individual chapters by XX.XX.20XX', '3. Elaboration of conclusion by XX.XX.20XX', and '4. Thesis submission to IS SU by XX.XX.20XX', and 'official assignment' with a text input field containing 'Testing paragraph for the english manual, here should be annotation from the thesis.'. At the bottom right, there are 'Close' and 'Save' buttons.

**3.** After the supervisor reads the revised assignment, the supervisor forwards it to the student for approval (the supervisor's approval closes the assignment), the student must **AGREE TO THE ASSIGNMENT**. This consent is given by clicking on the pink button seen in the figure below.
